Putting Your School on Display for the January 9, 2017 Board Work Session

The purpose of your board display is to communicate with internal and external stakeholders about the past, present, and future SIP work at your school with a focus on student / programmatic success.

Directions for completing the SIP Gallery Walk Planning Sheet:

- ✓ One SIP Gallery Walk Planning Sheet per school
- ✓ Use bulleted phrases or sentences in the boxes, not narratives
- ✓ Use a minimum of 12pt font for words in the boxes
- ✓ Keep all information on one page
- ✓ Complete the planning sheet without making highlights or using colored font
- ✓ Show off! This is your chance to show off the work have been leading in the past, present and upcoming future! Let's do this!
- ✓ Keep the copy in MS Word—don't put this into a Google Doc.
- ✓ Email your completed SIP Gallery Walk Planning Sheet to me as an attachment at Huston6@gresham.k12.or.us before the end of the day on **Monday, November 28th**.
- ✓ Please know that I may make some color changes or formatting modifications, if needed, prior to printing your poster.

Your Presentation on February 9, 2017

Poster Board:

This planning sheet will be transformed into a poster (about the size of chart paper) and adhered to a presentation board you will use for display during your presentation. You will NOT need to make a display board like last year nor mount the poster (that will be done for you). This will allow for a common format for viewing school presentation boards and minimize your time spent 'decorating' a board.

OPTIONAL -- Additional Items:

If you would like to bring a handout with data or pictures or ? to have at your table, that is up to you / your team. This would be considered optional and is not required or expected. You may also bring any pictures or a school mascot photo to mount on your board in the corner or sides if desired.
