

Quad 4: Which afternoon cohort am I in?

A student's afternoon cohort is based on the student's home address listed in StudentVue or the selection to remain online in eGBSD.

- Addresses that end in an odd number are in cohort AA. (ex. 2149 SE Gopher is odd and is in cohort AA).
- Addresses that end in an even number are in cohort BB. (ex. 2148 SE Gopher is even and is in cohort BB).

*If the home address ends with an apartment or building number that number is used for the cohort. (Ex. 2149 SE Gopher Apt#12 is even and in cohort BB.)

A student's Quad 4 afternoon cohort is now visible in Student Vue.
