****Please sign and select mode of Transportation on the back. If you haven't been involved in OST this year, you will also need to fill out an OST Registration Form.**

Transportation: Check (1) one choice

_____ Picked up by a parent, guardian, or authorized adult (name): _____

_____ Ride a school activity bus home (Limited bus stops. Bus will leave from DCD at 4:25PM)

Parent signature _____

*Please return **by Friday, Sept 13**. Activities begin Monday, Sept. 16th.
Any late forms will have a 1 day waiting period, for processing, before student may join the class.*

Homework Club- Must be signed up for OST. It can be used as a drop in “as needed” class, or use it everyday as a quiet place to do homework. It meets in the computer lab, for students to complete their IReady requirements. A teacher is there to help and guide students in their homework.

Game Time- Build your skills at **DCD Game Time**. Play fun games learning math, reading, and spelling. There are many games to choose from. This will be a fun, fun class. Recommended for grades 1st - 6th. Instructor Mrs. Stanzak. Tuesdays and Thursdays 3:30 - 4:20

GeoBee- Come join us for an afternoon of fun and learning! Fun because we play geography board games and geography computer games! Want to know what country is landlocked by Brazil, Argentina, Chile, Paraguay and Peru? How about the state in the United States that is farthest south? Come join us in room 16 on Monday afternoons!

Weight Lifting- 6th-8th grade. Students learn proper techniques for weight lifting. Students will build strength as they learn the life skill of fitness.

Monopoly Madness- Come play the game that never ends (at least for 9 weeks) with Ms. Cochran. Learn math, money and life skills while building community and having lots of fun through Monopoly. There will be multiple games of Monopoly being played simultaneously that will carry on from week to week. Open to 2nd-8th grade.

Jewelry Making-In Jewelry making class we start with a memory wire bracelet. Learning how to design, plan and make jewelry. Second we will make a necklace using knowledge learned about design and planning. We will also learn how to add clasps and charms. After taking this class you will be able to repair and make many kinds of jewelry. It will be a lot of fun. Thanks Mrs. Cameron

Middle School Girls Basketball Skills: *Want to work on your "handles", become a better shooter, passer or defender? This OST course will help middle school girls build their basketball skills and confidence as a player. No matter the current skill level (beginner or experienced), this course will help you improve your game. Through games and skill drills, you will become a better basketball player. Come and join Mr. Gehrig for this course!*

Battle of the Books- A competitive reading team. Read books and battle against other teams for books trivia.
