Homework Club / 4th - 8th

Must be signed up for OST. It can be used as a drop in “as needed” class, or use it everyday as a quiet place to do homework. A teacher is there to help and guide students with their assignments. Come prepared with a task to work on.

Mon/Wed /Thurs- hosted by Mrs. Secor in Rm 10

Tues - hosted by Ms. Cochran in library

Ready to Read / 1st-2nd

This class is going to focus on solidifying phonics, practicing easy reader text and having fun with new reading skills. Our goal is to PLAY... while reinforcing early reading tools through games, manipulatives, silly books or songs and more!

Monday - Hosted by Mrs. Jansen & Mrs. Neiger in library

Sewing in STEAM / 5th-8th

Learn to sew and create with a twist. How do you weave in wire to conduct electricity and turn on lights in wearable items?

Tuesday - hosted by Mrs. Ray

Mathematics and Knitting / 5th-8th

There is mathematics in knitting? Sure is! Learn how to read patterns, create patterns, and the basics of thread counts. Want to make a light up scarf? How about creating items for family and community?

Tuesday - hosted by Mrs. Deatherage

Book Bonanza / 3rd-5th

Mrs. Neiger would love to share her love of books with anyone interested in attending her "Book Bonanza" class. Every Wednesday afternoon students will have the opportunity to do lots of different types of things that are all associated with books! There will be crafts and activities centered around a love of books, plus book talks and videos focused on popular and favorite titles. There will be silent reading time and also time to share their favorite books...Perfect for the book lover.

Wednesday - Hosted by Mrs. Neiger in Library

Art Mix Up / 5th - 8th

Dots, Doodles, Dates, and More!

Bullet Journals are a fun and easy way to express your unique personality while keeping track of the important details of your life! Join me as we explore how to create beautiful banners, darling doodles, and fabulous fonts. We will have directed lessons and free time during each class. Creativity will thrive in a peaceful, calm atmosphere where your effort is respected and honored. Each student will receive a bullet/dot journal to serve as a portfolio of their work. This class is geared toward 5th grade and above.

Wednesday - hosted by Mrs. Katz Rm 12

Steam Lab 5th-8th grade

Explore space science with Sam Labs, designing and creating air powered rockets, and more!

Tuesday & Wednesday - Hosted by Ms. Boles Rm 20
