

# 2018 Immunization Results

## Immunization Exemption Information

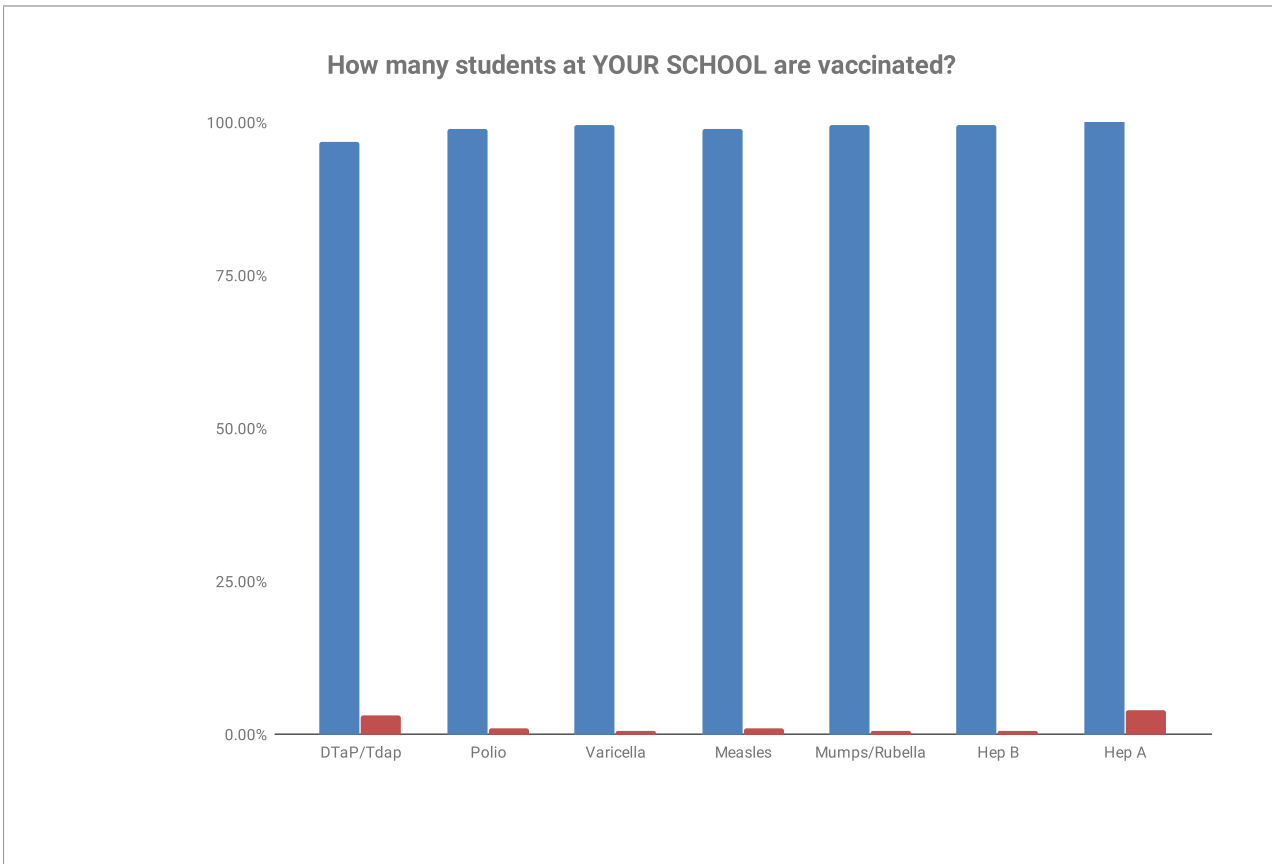

Twice a year, for each required vaccine, the State of Oregon requires schools to notify parents of immunization exemption rates. The rates will be posted on the school's website and in the school office as well as sent home to parents. Attached are the exemption rates as of February 2018. Notifications will occur in March and September.

## Información Actualizada sobre la Exención de Inmunizaciones

Dos veces al año, para cada vacuna requerida, el estado de Oregon requiere que las escuelas notifiquen a los padres las tasas de exención de inmunizaciones. Las tarifas serán publicadas en el sitio web de la escuela y en la oficina de la escuela, así como enviadas a casa a los padres. Se adjuntan las tasas de exención a partir de Febrero del 2018. Las notificaciones se producirán en Marzo y Septiembre.

## Информация об Освобождении от Вакцинации

Два раза в год, Штат Орегон должен информировать родителей, какой процент не вакцинированных детей за каждую требуемую вакцину. Эта информация теперь будет размещена на веб-сайте наших школ, в школьном офисе, а также будет отправлено письмо родителям. Прикрепленная информация указывает какой процент не вакцинированных детей составлял в феврале 2018 года. Уведомление будет доступным в марте и в сентябре.

Number of students enrolled:

184

Percent of students with no immunization or exemption record:

0

Percent of students with a medical exemption for one or more vaccines:

0

\* Not all immunizations are required for all grades. These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations, but do not need an exemption because they are on schedule.

\*\* There is/are also 0 child(ren) enrolled for whom immunizations are not required to be reported because their records are tracked by another site or they attend fewer than 5 days per year.

+ Blanks indicate this vaccine was not required in the grades at the school, or this vaccine was required for fewer than 10 children.
