Review October 1st, 2019 Meeting Minutes: McKay Larrabee stated that the October 1 meeting minutes had been posted online prior to the open house. The committee was told that if there were any necessary changes to let the team know, otherwise, the committee will consider these notes approved.

Presentation:

McKay led the presentation for the flow of the evening and covered the following:

1. Review:
 - Previous meeting minutes (October 1, 2019)
 - Committee charge
 - Guiding principles
2. Review and discuss open house feedback on working proposal
3. Workshop boundary scenarios as a group
4. Group discussion
5. Propose changes and vote (as necessary)

Discussion

Committee discussed feedback regarding actionable items (such as different boundary configurations), grandfathering/implementation questions, keeping communities

together, and transparency. Committee was reminded that any policy or implementation items are not part of the committee's charge.

The committee then broke into four groups and were tasked with providing three actionable items (boundary scenarios based on community feedback) and three main take-aways/themes from the open house feedback. The groups then discussed their scenarios and themes through the lens of their guiding principles with the entire committee. Several scenarios were presented and ultimately the committee voted to approve the following four changes as Committee Proposal 3 (see changes below – changes are described as changes to Committee Proposal 2, not from existing boundaries).
