

Springwater Trail High School Senior Portraits

The 2019-2020 yearbook staff invites seniors to replace their student identification photo (taken by Lifetouch) with a more professional option in this year's yearbook. Senior portraits are due by **December 18, 2019, and must be submitted digitally**. Digital photos should be 4 x 6 (300 dpi or greater). Photos submitted after the deadline may not make it into the yearbook.

This year, the STHS Yearbook staff is offering to take your senior photo for \$40! The \$40 fee includes a 30 minute session with an experienced staff member, and 5 digital images. Please contact Crystel Weber if you are interested in this option.

Remember, the purpose of this photo isn't for a casting call, so please don't confuse a "head shot" with a "professional portrait." Please provide a professional portrait that includes only your head and shoulders.

Things to keep in mind while selecting a photo for the yearbook:

- The photo should be borderless and in a portrait orientation.
- A solid background or a muted, hazy background will be acceptable.
- Stay away from walls, and other distracting backgrounds.
- Keep objects from obstructing your face.
- The photo should be free from photographer's brands or studio names.
- Please refrain from using your hands, and definitely do not use props.
 - A prop could include, but is not limited to: machinery, animals, hats, non-prescription glasses, or distracting backgrounds
