Working together, we create the best possible outcomes for your student and finish the year on a positive note

IMMUNIZATION EXCLUSION

Exclusion day for state required vaccinations is Wednesday, April 20, 2022. Letters will be mailed to parents whose children are not up to date or whose records are incomplete. Should you receive a letter, please provide updated information to the school as soon as possible. Children who are not currently vaccinated by April 20th will not be able to attend school until records are complete. If you need assistance in locating a health care provider or clinic site, please contact your school nurse or see attached.

SUN FAMILY SUPPORT

The SUN Program currently has funding available to provide various resources to families in need of assistance. Please feel free to reach out with any questions you may have to jakzuryb@mfs.email

CELL PHONE POLICY

Students may not make or receive calls (or text messages) on a cell phone during the school day. Prior to entering the school, or once the 3:35 p.m. bell rings, cell phone use is permitted. All devices are to be *stored securely in their locker* during the school day. If a cell phone is used (including texting) by a student, heard ringing, or is visible during the school day, the cell phone or other electronic device will be confiscated.

1st Offense - Student pick up at the end of the day in the office

2nd Offense - Parent pick up in the office

3rd Offense - Parent/Student meeting with administration

Failure to follow cell phone policy may result in the student not being able to bring a cell phone to school. Again, the possession of any valuable item is discouraged, and the risk of loss or theft is entirely the responsibility of the student..

AFTER SCHOOL ATHLETIC SPECTATOR EXPECTATIONS

We are pleased with the parent and student support provided at our after-school games. When it comes to maintaining a game environment that is supportive of athletes and comfortable for all spectators, there are a few guidelines that Russell students should keep in mind.

While attending an athletic event, student spectators need to respect the other spectators attending the event. Movement in and out of the gymnasiums should be restricted to quarter, half, and between game breaks. The doors leading to the hallway are the only doors available for entry and exit. DO NOT use the doors that lead to the football field. These are emergency exits only.

Students attending after school events are expected to be spectators in the stands. Students are not to be roaming around the hallway or areas outside of the gymnasium. These areas, including the covered play area, are off-limits to student activities during our games. Skateboarding and riding bicycles are also prohibited in these areas when after school events are taking place.

Again, we appreciate student spectators at our after-school athletic events. We expect our spectators to behave in a manner respectful of athletes and other spectators. Students and spectators unable to follow our guidelines will be removed from the event and restricted from after-school activities.

SUPPORT YOUR FAMILY'S WELL-BEING

Gresham-Barlow School District is committed to the health, safety, and well-being of our students, staff, and families. We are proud to announce our partnership with Care Solace to support our ongoing commitment. If you or your family members are looking for help with mental health or substance use, Care Solace will quickly connect you to community providers matched to your needs. Call 888-515-0595 or caresolace.com/gbsd. It's a free website for Gresham Barlow families to connect with the needed care based on your insurance.

PARENTVUE(Grade Checks/Attendance)

ParentVue is a tool with our student information system that will allow parents to access their student(s) ongoing progress and final grades, current attendance reports, and have the ability to update demographic data (i.e. address, phone, etc.). Parents or guardians should have an access code, but if you do not please call the main school office number at 503-667-6900 for an activation code.
