

## **Hollydale School Improvement Plan Summary**

### *Accessible and Intentional Instruction*

- Clarity in teaching and learning. What are we learning, Why are we learning it, and How will we know when we have learned it.
- Using AVID (Advancement Via Individual Determination) strategies in instruction.

### *Evidence Based Decision Making*

- Grade level data teams meet twice monthly
- Use of three times a year diagnostic data to measure instructional effectiveness
- Use of Panorama data collection for instructional decisions

### *Teaching and Learning Environment*

- Equity lens used for decision making to be inclusive for all learners and families
- Culturally Responsive Teaching practices

### *Family, School and Community Partnerships*

- SUN (Schools Uniting Neighborhoods) Program
- Partnership with Gresham United Methodist Church
- Right Brain Initiative for art based strategies and guest artist
