Drop Off / Pick Up by Car

Our goal is to make it safe, efficient and with a little impact to the traffic flow on the surrounding streets. The following procedures for traffic flow have been established.

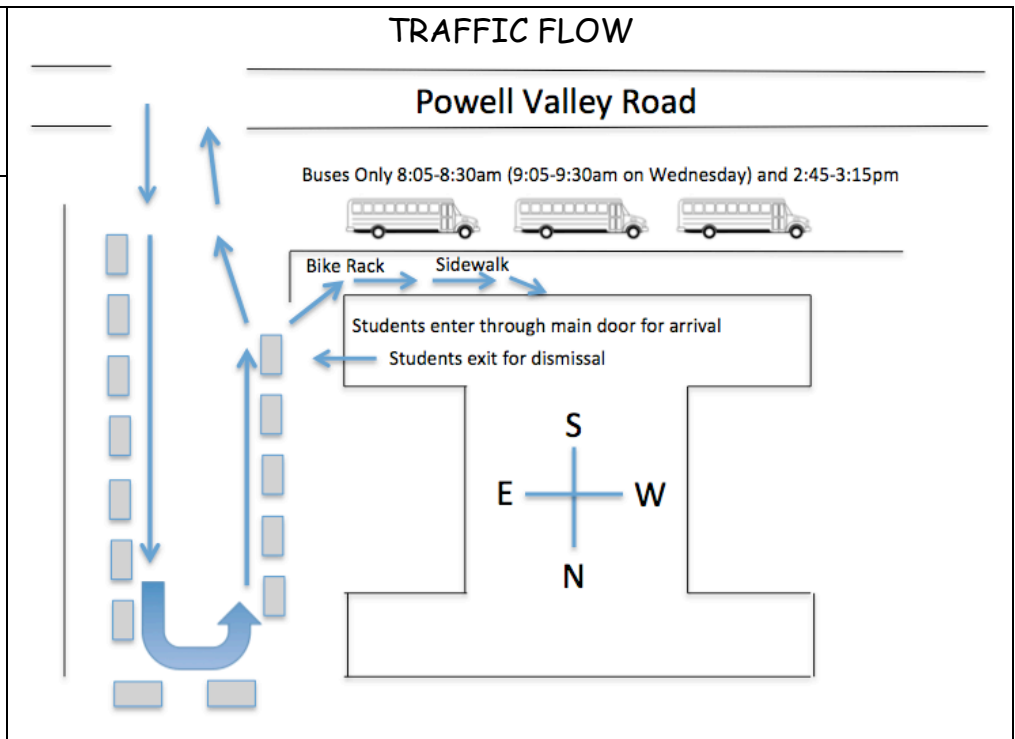

Morning Arrival:

Buses only are permitted in our front turn-around between 8:05am and 8:30am (and between 9:05am and 9:30am on Wednesday). Parents are expected to use the East parking lot. Students should be dropped at our Southeast door and walk by the bike rack on the sidewalk to the front door to enter the school.

Afternoon Dismissal:

Buses only are permitted in our front turn-around between 2:45pm and 3:15pm. During these hours, parents are expected to use the East parking lot. Students who are expecting to be picked up are waiting inside our Southeast door, the staff member on duty will release the students.

Please do not make a third lane, or park in fire zones (marked with red curb)!

To ensure everyone's safety the cars use the side parking lot for drop off and pick up, see diagram above. Do not use the drive through bus lane where buses arrive and depart unless it is after 8:30am or before 2:45pm. A staff member will begin supervision duty and open the doors at 8:10am. **Please do not drop off students before the doors open.** After school pick up occurs at the east doors near the bike rack, and pick up begins at 3:05pm. Parents who are not in a car to pick up their child can wait at the bike rack. Parents who are in cars need to use the car lane, and staff members will release students when parents are close to the doors on the west side of the parking lot. For the safety of everyone, staff members are not permitted to walk students across the parking lot to cars. If another family member or friend is picking up your child, they must be an authorized person on your child's contact list through our office. Please be patient in the pick up line, and do not block the intersection or driveways as you wait. Keep the line moving, but do not make a 3rd lane to exit the parking lot. Turn off your motor when waiting in the parking lot before pick up begins. Car emissions are a safety hazard for the students and staff.

Change of Transportation:

Students must have a note signed and dated by their parent/guardian if they are being picked up or going home with another student. The secretaries fill out a "Change of Transportation Form" for the student to give to the bus driver or staff at the pick up area. These are handed out at dismissal time. If plans change during the day, parents may call in and a "Change of Transportation Form" will be issued. **Make these calls before noon.** Calls made at the end of the day may not provide enough time to get a "Change of Transportation Form" to your child. Our goal is a safe trip home for every child, so please help by following these guidelines.

Absences

When your child will be absent, please call the office before 8:00 to let us know. This can be done anytime of the day. Outside of office hours you may call and use the recorder. Please leave your child's name, teacher's name, reason and number of days for the absence. After attendance is taken, our auto-dialer will call home (or other number designated by parent) if your child is absent and you have not made a call letting us know they'll be gone. A signature sheet accompanies this handbook, please designate your 'primary' number and we will use this number when we call to verify attendance. If this number changes during the school year, it is very important to notify the office.

Breakfast and Lunch Program

Powell Valley is one of 9 schools in our district that qualifies for a Community Eligibility Program, which means that all students can eat breakfast and lunch in the cafeteria at no cost to families; this eligibility must be renewed each year. Students must take a complete breakfast or lunch in order for the meal to be free of charge. Students who bring a lunch from home will need to pay for milk, if they want milk. Lunch account money can be turned in before school until 8:35am (for milk). Breakfast is served from 8:10-8:30am, parents who drive students to school need to ensure they arrive by 8:15am to avoid students being tardy to class.

Music/PE

Our Music and PE programs will be offered on a half time basis. An "M" or "P" on each calendar day or page will indicate the schedule. On PE days, your child should dress appropriately in pants and tennis shoes.

Student Assembly

Each Wednesday morning at 9:45 we hold a 20-minute assembly in the gym. The student leadership group runs the assemblies featuring announcements, reminders, skits, awards, presentations and talent from students and staff.

Medications

The school personnel are only able to administer prescription or over the counter medications following these guidelines. Both prescriptions and over the counter medications must be transported to and from school by the **parent**. Students are not allowed to carry them on the bus or have them in class. (See exceptions in the district guidelines.) Parents must complete a medical authorization form, and bring the medication in its original container that states the doctor's name, phone number and the dosage to be administered to the school office during business hours. The medications are locked in a cabinet and dispensed to the students when they come to the office.

Newsletters, PV Website, Email, Twitter and the Gresham-Barlow School District (GBSD) Phone App

You may designate to have your copy of Powell Valley's Panther News sent via email only. This is a list that is assembled each new school year. If you wish to be on the email list for the current school year, please complete the form going home with your student and return it to the school. Classroom notices and newsletters will be distributed as usual. In addition, school announcements and reminders of important events will be posted on the Powell Valley Website at <http://pvweb.gresham.k12.or.us/> and sent out via email, twitter and the Powell Valley page of the GBSD phone app.

Grading and State Testing

Students are given report cards each trimester. During the fall, parent/teacher conferences occur and report cards are presented and discussed. The spring and final trimester report card will be mailed home. Teachers use a variety of classroom assessments to monitor students' learning and growth. State testing occurs in the spring and is done in grades 3 through 5 as follows: 3rd grade - reading, math; 4th grade - reading, math; 5th grade - reading, math, and science.

Lost and Found

It is the student's responsibility to keep track of personal and school items. We encourage parents to put student's initials on clothing tags. Items such as coats, lunch bags or hats that are left around the building or playground will be put in the Lost and Found container. This is located near the library. Students who wish to look there for a lost item must first have their teacher's permission to leave class. At the end of each trimester the items are donated to a charity.

Visiting Students and Parents

Parents are encouraged to visit the classroom for short periods of time, on a pre-scheduled basis. They need to sign in at the office and wear a "Visitor" badge. Children from outside our school are not allowed to visit classrooms without pre-arrangement with the principal.

Volunteers

We encourage parents and community members to become volunteers at Powell Valley. All volunteers must have a Volunteer Form and a Criminal Background Check on file at the District Office. The district form is available online at the district website at www.gresham.k12.or.us, click on **About Our District**, then **Volunteers**, and then **Volunteer Application Form**. Background checks can take up to 3 weeks, and **volunteers are not "cleared" until background checks are complete**. Please apply early to ensure you get cleared for field trips and other special events!

When you enter the building please sign in at the office and wear your "Volunteer Badge " or "Visitor" tag while working here. Siblings are not to accompany parents when they volunteer. District policy prohibits siblings from attending field trips.

Student Guidelines

At the beginning of each school year we will take the time to teach all students the expectations, rules, rewards and consequences set up to make Powell Valley Elementary School an effective learning environment for all students. We expect parents to review this handbook and share it with their students. Our school uses Positive Behavior Intervention and Supports (PBIS) to create guidelines, expectations and supports to help all of our students develop socially and benefit from a positive learning environment.

- Powell Valley Panthers' "*Path to Success*" expectations are detailed at the beginning of this handbook. Please review the expectations with your child, and encourage them to ask questions if something isn't clear to them.
- Breakfast will be served from 8:10 - 8:30 in the cafeteria. Students may enter the classrooms at 8:28. Students are dismissed at 3:05pm. Please make sure your child knows how they will go home each day (bus, parent pick-up, day care, etc.).
- Students are to be under the supervision of an adult at all times. Students must get permission from an adult when moving to another location in the school, so that staff know where students are at all time. Examples include asking permission to re-enter the building when on the playground, asking to use the restroom, asking to go back to the classroom to get homework at the end of the day.
- Students must get a staff member's permission to use the phone. This is for emergency use only. Items forgotten at home or making arrangements for after school events are not appropriate school phone use.
- When students leave early from school they need to be checked out at the office first, by a parent/guardian.
- One of our goals is to teach students how to use technology in the appropriate and responsible way, or *digital citizenship*. Electronics (including phones, tablets, iPod, etc.) are not required at school or requested at school.

Cell Phones: Some parents may deem it necessary for their child to carry a cell phone in their backpack. **The phone must be off and away at all times, on the bus and at school.** It is not to be used or shown to others. If a student is using their phone or showing it to other students, staff will collect the phone and it will be turned into the principal/office. The school/district will not take responsibility for lost or stolen items that are brought from home.

Devices/Tablets (Kindles, iPods, smartphones, other tools that can be used to support learning): Some upper grade classroom teachers permit students to use devices brought from home for instructional purposes (i.e., reading a book on a kindle, practicing math facts on a device that supports IXL Math, etc.), **this is considered a privilege** that can be revoked if a student does not follow the teacher expectations. Inappropriate use of technology, such as getting onto social media, playing non-approved games, or taking pictures and video without explicit teacher direction and permission, is grounds for student disciplinary action and the device being turned into the principal/office.

If student's cell phone/personal device has been turned into the principal/office: 1st violation - Student pick up at the end of the day, 2nd violation - Parent pick up, 3rd violation - Parent meeting with principal before pick-up.

District policy states: "Weapons may also include, but not limited to, knives, metal knuckles, straight razors, stun gun, tazor gun, airsoft pellet gun, noxious or irritating gases, poisons, unlawful drugs or other items fashioned with the intent to use sell, harm, threaten or harass students, staff members, parents and patrons. Replicas of weapons, fireworks, bullets or pocket-knives are also prohibited by Board policy. Exceptions to the District's replica prohibition may be granted only with prior building principal approval for certain curriculum or school-related activities." District policy requires moving towards expulsion for certain weapons and intent for their use at school. Matches and lighters may not be brought to school.
- Students are expected to treat each other with respect. They are not to talk about harming/killing someone, even if it's meant as a joke, with no intent to do it.
- Students may not sell items of any kind at school. Trading or bartering items is also prohibited.
- Dress Code
 - No halter or strapless tops, tank top straps must be 1" or wider. Scoop neck tops must be modest, no bare midriffs,

 - Athletic shoes must be worn on PE days (no sandals or flip flops). No shoes with wheelies may be worn at school unless the wheels have been removed at home.

 - Bandanas/hats may not be worn in the building.
 - Jewelry and accessories with spikes are prohibited due to potential safety hazard. Chains worn on pants are prohibited.
 - Makeup is not appropriate for elementary school.

Discipline Procedures

- Our focus at the elementary school level is to help student learn how to be safe, respectful, and responsible in their choices and interactions with other. This means that most correction and discipline is done by teachers and assistants throughout the course of the day; and the focus is teaching cause and effect, new skills and restoring relationships. This goal is accomplished through a combination of teaching, re-teaching, consequences and restitution (making it right again).
- Major infractions that involve safety, disruption of learning environment or repeatedly breaking rules will be referred to the principal. An office referral form will be filled out, actions will be determined and the student will take it home to be signed by the parent. It must be returned the next day to the principal. The goal is to use mistakes as a learning experience for the students and to maintain an effective learning environment for all.

Student Recognition

PRAISE

Specific, authentic praise has the ability to improve self-esteem in all of us. We encourage students, staff and parents to notice and give specific feedback and praise to students who are demonstrating good citizenship, responsibility, and following the "*Panther Path to Success... be safe, be respectful, be responsible and be your best!*"

PANTHER TOKENS

When students are caught 'doing the right thing' they may receive a Panther Token, which is then turned into their class token basket. When classes reach identified class goals, they are rewarded with fun celebrations for working together as a classroom community for being safe, respectful, and responsible.

PANTHER TOKENS - WHOLE SCHOOL AWARD

At each Wednesday assembly the classroom token baskets are brought to the gym. The tokens will be gathered into the school-wide goal token tank. When the token tank is full, all students will get to enjoy a school-wide reward (determined by the Student Leadership team).

LIFESKILL AWARDS AND LUNCH WITH THE PRINCIPAL

Every two weeks, our school focuses on a Lifeskill. As students demonstrate Lifeskills at school, staff member may notice and give them a Lifeskill Award. Lifeskill awards are gathered in the classroom and one Lifeskill slip is drawn and that is invited to have Lunch with the Principal that week. Students are awarded Lunch with the Principal at Wednesday Assemblies.

Classroom Parties and Celebrations

Teachers will recruit parents to help plan and provide for classroom parties. Designated parties are left to teacher discretion. Only store bought treats may be served. Birthdays are honored with classroom acknowledgement and song, and at our school-wide assemblies. We ask that all family celebrations occur outside of school.

Animals Not Allowed at School

The District has adopted a very restrictive administrative rule regarding animals in the schools due to liability, safety and health concerns. Since the beginning of the 2010-11 school year, pets have not been allowed in the school or on campus (with the exception of service animals). This includes all pets, such as dogs, cats, hamsters, snakes, etc. belonging to staff, students and visitors. "Show and Tell" animals fall under this policy as well.

Emergency Closures

In the event of hazardous or emergency conditions, the school may be closed or schedules altered to provide early dismissal of students as appropriate. Radio, TV stations, GBSD Website, and Flash Alert all report school closures, delayed openings or early release. **Parents are required to complete an Emergency Release Card for each child.** This gives us instructions about what to do if we send children home early. You will designate if they go home as usual, go by bus to another location or wait at school for you or designee to pick them up. This is a vital piece of information to help insure that our nearly 500 students are transported home correctly during an emergency closure.

BUS RULES - First Student Bus Company: The following rules are posted on the bus. Our students' safety and behavior is of concern to us from home doorway to doorway. We monitor behavior at bus stops, on the bus and as they load and unload at the school. We ask that parents monitor their children at the bus stop for safety. These rules apply anytime they ride a bus for school purposes. They are designed to create a safe, calm atmosphere so the driver's attention can be on their driving and road conditions. Phone number for First Student is: 503-665-8193
