

## Fee Schedule

Revised: 2-19-2014

There are costs associated with community use of district facilities. Some uses require lighting, some need conditioned air (either heated or cooled), some result in a need for additional cleaning and/or additional supplies. Some require additional staffing. Since the district does not receive funding for these purposes, users must bear the cost of their use of the facilities and grounds.

### Class I - No Charge

Class II & III – A district employee (Custodian or Monitor) must be on site for all Class II and III users
