

Gresham-Barlow School District

ANNUAL HEALTHY AND SAFE SCHOOLS STATEMENT

Presented to GBSD School Board 3/4/2020

The Gresham Barlow SD created a Healthy and Safe Schools Plan on December 28, 2016. This statement is provided as required by article (6) of OAR 581-022-2223 and is provided to the school board, all building occupants, and the community by making it available at the District administrative office and by posting it on the Facilities Departments portion of the District's website at <https://www.gresham.k12.or.us/Page/192>

This statement provides a high level summary of activities performed this past year and follows the format of the GBSD Healthy and Safe Schools plan dated 2/27/2020.

https://www.oregonlegislature.gov/bills_laws/ors/ors332.html

A school district, education service district or public charter school shall provide an annual statement regarding the plan developed and adopted by the district or school under ORS 332.331. The district or school shall provide the statement to:

- a. The governing body for the district or school;
- b. The parents of minor students; and
- c. Any student 18 years of age or older

If a school district, education service district or public charter school maintains a publicly available website, the district or school shall post the annual statement described in subsection (3) of this section on the website. The district or school shall make the annual statement available in printed form at the administrative headquarters for the district or school.

The Department of Education shall adopt, in consultation with the Oregon Health Authority, representatives of school districts, education service districts and public charter schools and other interested stakeholders, rules for carrying out this section. [2017 c.700 §2]

2. List of Buildings – on Page 3

3. Certification-The District's Healthy and Safe Schools plan is up to date as of February 27, 2020.

4. Required Testing and management

- a. Lead in water (drinking and food prep) – Confirmation testing will be performed as per the new Healthy and Safe Schools plan (HASS). The GBSD Healthy and Safe Schools Plan is being updated to reflect that new required schedule. Testing every 6 years, which will occur in 2022. New facilities that test below 1 ppb will become exempt from testing.
- b. Lead Paint – GBSD follows the OHA Renovation, Repair and Painting Rule for Schools
- c. Asbestos Management Plan – Considerable work has been completed this past year related to asbestos within the District.
 - a. General Maintenance Asbestos removal of Floor and/or Ceiling tiles occurred in 2019 at East Orient ES, Dexter McCarty MS and Damascus Campus.
 - b. Capital bond projects are underway at East Gresham ES, Hall ES, Highland ES, Hollydale ES, North Gresham ES, Powell Valley ES, Deep Creek Campus, Gresham HS, and Sam Barlow HS, where

comprehensive testing and abatement has and will occur in our schools as bond projects continue. Not all abatements are comprehensive in scope. Many surveys are comprehensive in scope, but some are limited to the scope of renovation.

- d. Radon – The District has completed initial and follow up testing of all areas that showed above allowable levels of radon in ground floor occupiable spaces in all district buildings. Sample results are currently available at the District Facilities Offices or on the District Facilities website. Follow up testing is being performed at locations that demonstrated levels above the EPA Recommended level of 4 pi/cu.
- e. Integrated Pest Management
 - a. Pesticide Application activities inside/outside schools is done by Western Exterminator Company and this information is in hard copy at each schools Main Office.
 - b. Herbicide and Fertilizer Application activities for our school grounds is managed through the Facilities Department and performed by Licensed and Certified Applicators in our Grounds Department. Records are kept in the Facilities Office.

5. Communication – All test results

- a. All testing data is currently available at the Districts Facilities Department and on the Facilities Department Website accessed through the Districts website: <https://www.gresham.k12.or.us/Page/192>The District has implemented an online data management system to house all environmental data related to the Healthy and Safe Schools Plan.

All testing data and results are on the GBSD [Verdant database](#) on the GBSD Facilities Website.
