GOPHER IT

13 APRIL 2017

OVERVIEW

In our current schedule there is little time for students to complete make-up work, get one-on-one assistance, complete group projects or study in a group, and other activities required to be a successful student. GOPHER IT is time for these tasks to be done within the school day. We will use this day to evaluate the processes we use for future tutorials.

SPECIFICATIONS

1. Modified Schedule below
2. 2nd period class is the homeroom for students.
3. Teachers without a 2nd period class will help monitor the hallways outside their rooms until students arrive to their classes.
4. Students who wish to leave homeroom will sign out of homeroom indicating their destination. If students leave their destination area, they must sign out
5. **Students may go to to any of the following without a pass:**
 - **Another teacher's room for assistance or to study with others.**
 - **The 244/245 computer lab**
 - **The PE area to complete a make-up**
 - **The Counseling Office**
 - **The ELL Office for tutoring**
6. **Student may go to one of the following with a pre-arranged pass:**
 - **The Library**
 - **The Math Lab**
 - **Child Care**
 - **ISS/105 to complete a make-up detention and study there with a pre-arranged pass**
7. **Students are expected to be in a room other than when passing**
8. **Students do not have to report back to homeroom.**
