Testing Calendar and Fee Schedule: Circle the exam you are going to take in the appropriate year. Total your fees. **These fees are due in the fall of the school year that you take the exams.** The registration fee will only be paid once if you are Full Diploma. There will be a small fluctuation in cost as IB usually increases the fees each year. This is just to give you an estimate of total cost.

Group	Junior Year Exam	*Cost	Senior Year Exam	*Cost (This is dependent on IB's fee changes, and the continuation of the state of Oregon funding some of the true cost of \$120)

- You must have 3 HL exams and 3 SL exams. You *can* have 4 HL exams and 2 SL exams.
